Subject: Permission to Change Class Rule9s) for the Pan Am Games regarding Sail Numbers and Country Codes

Good afternoon, Ben,

I write on behalf of the Pan Am Sailing federation and Lima 2019, the Organizing Authority of the 2019 Pan Am Games.

Due to our restriction to require competitors to present their sails without Sail Numbers and Country Codes, we need your class to provide the following signed letter to the Pan Am Sailing Federation:

“On behalf of the 49er and 49erFX Classes, the organizers of the 2019 Pan Am Games Sailing Competition (Men’s and Women’s events) are permitted to change Class Rule C.10.3(a)1 in its Notice of Race, per RRS 87, Sails shall be presented without sail numbers of any letters.”

Thank you for your prompt attention to this on behalf of our competitors.

Regards,

Fred Hagedorn
