**Subject:** Re: Pan American Games clarification - Kites meeting NOR 2;

Dear all,

From a class point:

IOC rule 50 applies

Only allowed marks are makers marks (which for kites is the brand identification including model and kite size area, in the same way the kites are available in commercial trade)

This means no additional sponsors, logos, names, flags

I assume we will not apply nationality flags to the kites, this will be done via the bibs

The same rules apply to i.e. the World Beach Games.

Hope this helps.

All the best,

Markus
