RRS 78.2 is deleted and replaced by: "When a rule requires a valid certificate to be produced or its existence verified the certificate must be produced before the boat races. If the certificate is not produced or verified before the boat races the boat shall be disqualified from all races of the event unless the International Jury is satisfied there are exceptional circumstances."

8.7 A schedule of times when boats, crew and equipment must be presented for measurement will be posted no later than 2000 hours on Tuesday, 24<sup>th</sup> October 2023 on the Official Notice Board. Failure on the part of a competitor and his or her boat or equipment to be available for measurement at the required time may result in the competitor not being able to compete in one or more races. A competitor may not be eligible to compete until measurement is officially completed.

8.8 The procedures for inspection, limitations on equipment permitted in the venue and other equipment related matters will be specified in the Sailing Instructions or the ER.

8.9 After equipment inspection, no boat or inspected equipment shall be taken from the boat park or the racing areas and their adjacent waters without written permission of the Chief Equipment Inspector.

  - 19.1.3 They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
  - 19.1.4 By participating in any race, they are satisfied that their boat is in good order, equipped to sail in the event and they are fit to participate;
  - 19.1.5 The provision of a race management team, patrol boats, umpires and other officials and volunteers by the organizer does not relieve them of their own responsibilities;
  - 19.1.6 The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.
  - 19.1.7 It is their responsibility to familiarize themselves with any risks specific to this venue or this event drawn to their attention in any rules and information produced for the venue or event and to attend any safety briefing held for the event.
